4 Meetings

26 April 1956

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Proposed Meeting of FE Base and Station Chiefs

REFERENCE: [REDACTED] (attached)

1. This memorandum contains a recommendation submitted for DCI approval. Such recommendation is contained in paragraph 4.

2. In referenced dispatch, [REDACTED] Chief, FE Base, has proposed a series of support conferences to be held at [REDACTED] between May and September 1956. He also proposes an [REDACTED] meeting of all Station and Base Chiefs of the FE area, and has tentatively scheduled the meeting for the period 10-15 September 1956.

3. In view of your probable visit to this area at approximately the same time, and in view of the possibility that you may wish to have a similar meeting of all or some of these Station and Base Chiefs, it is believed that the FE [REDACTED] plans for a meeting of Station Chiefs should be held in abeyance until your own plans can become more definite. In this connection, we believe that [REDACTED] is a desirable location for such a meeting in the FE area from the standpoint of security, entry and exit, housing facilities, and general convenience.

4. It is recommended that you release the attached cable.

[REDACTED]  
Acting Chief, Far East Division
